Patients sent for bloods by the GP must book their blood test

Please book your blood test to help us ensure safe social distancing in the department. Referrals from the GP will not be accepted as walk-ins and an appointment must be booked online

Please ensure you have a copy of your blood test request form from your GP

Appointments can be booked on the day up to 15mins before the appointment time. This can be done online or via telephone on 02045387474
